NDRIN Exports are done daily

The Walsh County Recorder's Office is located on the 1st floor of the Walsh County Courthouse. Walsh County is a full member of NDRIN. The Recorder's Office is currently back indexing all deeds, and miscellaneous records when time allows.

Corner Records- When searching for records, use the index to find the actual corner record numbers.

Type it in as CR115550 (for corner record index 155-50) dashes are not used between Township and Range numbers.

The document numbers start with CR001 (for page 1) and continue as CR then page number.

City Subdivision Searching- When searching for a city subdivision type in:

City- Subdivision name

Example: Grafton - Original Townsite

If you have any problems accessing records, please give our office a call and we will be happy to assist you
